**ORDER AMENDING LOCAL BANKRUPTCY RULES AND FORMS
OF THE UNITED STATES BANKRUPTCY COURT
FOR THE DISTRICT OF MARYLAND**

WHEREAS, the computation of time to respond to pleadings pursuant to Federal Rule of Bankruptcy Procedure 9006 (a) and (f) has been interpreted differently by practitioners and the Local Bankruptcy Rules do not augment this area of Bankruptcy procedure, it is necessary to amend the existing Local Bankruptcy Rules and Forms that govern proceedings filed in this Court for clarity and consistency;

WHEREAS, the Clerk’s office has developed a software solution referenced as, “Court Hearing Scheduler” or CHS, which is designed to improve the accuracy of the court’s records and ensure compliance with the Federal Bankruptcy Rules and the Local Bankruptcy Rules. The Judges of this Court having determined that the accuracy of the dockets must be maintained and the bankruptcy procedure must be in compliance with the Rules, it is therefore:

ORDERED, that effective the 1st day of December, 2008, the Local Bankruptcy Rules and Forms are amended as reflected in these revised rules. The amendments shall be effective as to all proceedings pending in this Court on that date insofar as is just and practicable, and shall govern all proceedings in bankruptcy cases thereafter commenced in this Court.

SO ORDERED.

Duncan W. Keir, Chief Judge

UNITED STATES BANKRUPTCY COURT

FOR THE DISTRICT OF MARYLAND

FOREWORD

In an effort by the Court to simplify the determination of filing deadlines, the Court chose to implement the Court Hearing Scheduler (CHS) Program. In conjunction with CM/ECF, the CHS Program will compute the date that an objection is due, based on the filing date of certain pleadings. The CHS Program will be made available on December 1, 2008.

The Court has promulgated these revised Local Bankruptcy Rules to reflect the implementation of the CHS Program. These Rules bear the version number "12.08" at the bottom of each page. This version supercedes all prior versions.

The major Rules changes are summarized in the introduction that follows. There are no comments on minor grammatical or stylistic changes.

These Rules take effect on December 1, 2008, and govern all proceedings in bankruptcy cases thereafter commenced and, insofar as just and practicable, all proceedings in bankruptcy cases then pending.

Chief Judge

(b) Other Deficient Petitions and Papers - Notice of Deficient Filing. The Clerk can issue a

notice:

(1) specifying deficiencies - except those described in subsection (a) - in the petition, schedules, and associated papers; and

Only counsel may pay filing fees by credit card. Payment by counsel's check will be accepted only if the check is drawn on the account of the attorney for the debtor or on the account of a law firm of which the attorney for the debtor is a member, partner, associate or of counsel. The Clerk shall maintain a list of attorneys and law firms whose checks have been dishonored and may refuse to accept the checks of such attorneys or firms.

In a case under Chapter 11, the debtor must include in the matrix the taxing authority for each county in which the debtor holds an interest in real estate.

(b) Matrix Form. The master mailing matrix must be submitted in the form required by the Clerk.

(c) Supplemental Matrix. The debtor must file a supplemental mailing matrix with any schedule or amended schedule that contains a change in address or an entity entitled to notice or adds the names of an entity not listed on the original matrix. If a scheduled creditor was omitted from, or incorrectly listed on, the mailing matrix, the debtor must file a supplemental mailing matrix that corrects the error promptly after it is discovered. The supplemental matrix must conform to the form required by the Clerk.

(d) Verification. The master mailing matrix and any supplemental matrix must be dated and verified. The verification must state that to the best of the affiant’s knowledge, information and belief, the matrices are accurate and complete.

RULE 1007-2 VERIFICATION OF AUTHORITY TO FILE - CORPORATIONS

A certified copy of the resolution authorizing the filing of the bankruptcy petition must be filed with a corporate debtor's voluntary petition. The resolution must show approval by the corporate body empowered by applicable law to authorize filing a bankruptcy petition.

RULE 1007-3 NOTICE TO CREDITORS OMITTED FROM OR INCORRECTLY LISTED ON MASTER MAILING MATRIX

If a debtor files schedules or a supplemental mailing matrix after filing the petition, and if the debtor's schedules or a supplemental mailing matrix include one or more creditors that were not included, or were listed incorrectly, on the debtor's master mailing matrix filed with the petition, a debtor must comply with the following procedures:

(a) Notice to Creditors. The debtor must send to each creditor that is added or whose address is corrected:

(1) a copy of the original Notice for Meeting of Creditors, and

(2) a copy of each order that establishes or extends a bar date for claims or for complaints to determine the dischargeability of certain debts or to object to the discharge of the debtor.

(b) Certificate of Compliance. With the schedules and supplemental mailing matrix, the debtor must file a certificate of compliance with this Rule, together with a dated and clearly titled supplemental mailing matrix that lists only the names and correct mailing addresses of each newly scheduled creditor.

RULE 1007-4 PAYMENT ADVICES

Copies of all payment advices or other evidence of payment received within 60 days before the date of the filing of the petition by the debtor from any employer of the debtor, (1) shall not be filed with the court unless otherwise ordered, and (2) shall be provided to the local Office of the United States Trustee, and any creditor who timely requests copies of the payment advices or other evidence of payment, at least seven (7) days before the date of the meeting of creditors conducted pursuant to 11 U.S.C. § 341. To be considered timely, a creditor's request must be received by the debtor at least 15 days before the first date set for the meeting of creditors.

If the debtor cannot provide copies of the required payment advices, debtor is required to file a Statement Under Perjury in the form set forth in Local Bankruptcy Form Q. Upon the filing of a notice that the debtor has not provided a copy of all pay advices or other evidence of payment, or a Statement Under Perjury, as required herein above, an order of dismissal may be entered after fifteen (15) days notice to the debtor, counsel to the debtor, and the United States Trustee and an opportunity for a hearing.

RULE 1007-5 COMPLIANCE WITH FILING REQUIREMENTS

The Clerk will docket a Certificate of Compliance for each case meeting all filing requirements under 11 U.S.C. § 521(a)(1), except payment advices under Section 521(a)(1)(B)(iv), or a Certificate of Non-compliance, as appropriate.

RULES 1009-1 AMENDMENTS TO LISTS AND SCHEDULES

When filing amended schedules that add previously unscheduled creditors, a debtor must

comply with the following procedures:

(a) Notice to United States Trustee. The debtor must send a copy of the amended schedules to the Office of the United States Trustee and to any trustee appointed in the case.

(b) Notice to Creditors. The debtor must send to each creditor added or whose status is changed by an amended schedule:

(1) a copy of the amended schedule;

(2) a copy of the original Notice for Meeting of Creditors; and

(3) a copy of each order that establishes or extends a bar date for filing proofs of claims or complaints to determine the dischargeability of certain debts or to object to the discharge of the debtor.

(c) Certificate of Compliance. With the amended schedule, the debtor must file a certificate of compliance with this Rule, together with a dated and clearly titled supplemental mailing matrix that lists only the names and correct mailing addresses of all newly scheduled creditors.

RULE 1015-1 JOINT ADMINISTRATION/CONSOLIDATION

The estates of spouses filing a joint petition will be deemed consolidated under § 302(b) of the Bankruptcy Code unless otherwise ordered on the motion of a party in interest made within thirty (30) days after conclusion of the meeting of creditors held under § 341 of the Bankruptcy Code.

RULE 1017-1 DISMISSAL OF CASE

Upon the filing of a notice that the debtor has not provided a copy of the Federal income tax

return to the trustee pursuant to Section 521(e)(2)(A) of Title 11 U.S.C., an order of dismissal may be entered after fifteen (15) days notice to the debtor, counsel to the debtor, and the United States Trustee and an opportunity for hearing.

PART II

RULE 2002-1 NOTICE TO CREDITORS AND OTHER INTERESTED PARTIES

(a) Noticing Period. A debtor, creditor, official committee, and any other party in interest sending a notice of proposed action to other parties in interest must give recipients no less than twenty (20) days from the date of completion of service to file an objection to the action described in the notice, unless the Federal Bankruptcy Rules specifically require a different time or unless otherwise ordered by the court or these Rules.

(b) Content. In addition to the information required by specific notices, notices must contain sufficient information to enable a party in interest to make a reasonably well-informed decision whether to object to the action proposed in the notice. The notice must state: (1) the date by when objections must be filed; (2) the person upon whom objections must be served; (3) that the proposed action may be authorized without further order or notice if no timely objection is filed; (4) that the court, in its discretion, may conduct a hearing or determine the matter without a hearing regardless of whether an objection is filed; (5) that an objection must state the facts and legal grounds on which the objection is based; and (6) the name of the party giving notice or its attorney, together with the address, telephone number and email address of the party to be contacted if parties in interest have questions regarding the subject of the notice. A notice may not state that an objecting party must attend a court hearing in support of any objection made.

(c) Certificate of Service. A party must file a certificate of service of a notice given under these Rules or the Federal Bankruptcy Rules within five (5) days after completion of service.

(d) Content of Objections. An objecting party must state the authority for the objection either in its filed objection or in an accompanying memorandum of fact and law. An objecting party must

certify that copies of the objection and of any supporting memorandum have been sent to the opposing party or parties and their counsel.

(e) Sales Notices. See Local Bankruptcy Rule 6004-1.

(f) Technical Requirements for Notices. A party sending a notice must show the date of completion of service conspicuously on the face of the notice.

(g) Limitation of Notice - Chapter 7. A party required to give notice pursuant to Federal Bankruptcy Rule 2002(a) may limit notice as provided under Federal Bankruptcy Rule 2002(h) to (1) creditors that hold claims for which proofs of claim have been filed and (2) such other creditors who may file timely claims.

(h) Limitation of Notice - Chapter 11. In Chapter 11 cases, where official committees are appointed and the number of creditors exceeds thirty (30), notices of the actions described below can be limited to the debtor, the United States Trustee, the members of all official committees or committee counsel, if appointed, and to those creditors and equity security holders who file and serve on counsel for the debtor a written request for notices of:

(1) the proposed use, sale or lease of property of the estate other than in the ordinary course of business;

(2) the hearing on the approval of a compromise or settlement of a controversy - other than the approval of an agreement pursuant to Federal Bankruptcy Rule 4001(d);

(3) a hearing on an application for compensation or reimbursement of expenses; and

(4) such other notices as the court orders.

(i) Voluntary Dismissal - Chapter 7 and 11. Notices of a motion by debtor to dismiss a voluntary case under Chapter 7 or 11 must be sent to all parties in interest.

(j) Continued Meetings and Hearings. If a hearing or meeting of creditors is continued or rescheduled at the request of a party, or for reason of the failure of a party to appear or comply with applicable law or rules, that party must send notice of the continued or rescheduled hearing or meeting by the fastest means to avoid inconvenience to other parties entitled to notice. The party must file a certificate of service of that notice.

RULE 2004-1 EXAMINATIONS UNDER FEDERAL BANKRUPTCY RULE 2004

(a) Production Request Limits. A party in interest may not request or compel an entity being examined under Federal Bankruptcy Rule 2004 to respond to more than thirty (30) requests for production.

(b) Smoking During Examinations Prohibited. No one can smoke in a room where an examination is being conducted, unless all persons agree.

(c) Examination and Production to Proceed Despite Existence of Disputes. An examination or production dispute as to one matter does not justify delay in taking an examination or responding to other examination or production requests, unless otherwise ordered by the court.

(d) Examination Guidelines. The court's Discovery Guidelines set forth in Appendix C govern scheduling and the conduct of examinations and requests for production, unless they are not applicable in context.

(e) Conference of Counsel Required. Counsel must confer concerning an examination or production dispute and make good faith attempts to resolve an examination or production dispute. The court will not consider a motion to compel or for sanctions unless the moving party has filed a certificate stating:

(1) the date, time, and place of a dispute resolution conference; the names of all persons participating; and any unresolved issues remaining; or

(2) the moving party's attempts to hold such a conference without success.

(f) Copying Expenses. A party in interest requesting copies of documents that were produced for inspection under Federal Bankruptcy Rule 2004 must pay the actual, reasonable costs of copying.

RULE 2015-1 COMPENSATION BY DEBTOR IN CHAPTER 11

(a) The rate of compensation paid by the debtor in possession to its officers, directors, members or partners shall not exceed the rate of compensation paid to those persons ninety (90) days prior to the filing of the petition, unless otherwise ordered by the court.

(b) The debtor shall file a statement containing the following information within twenty (20) days after filing a petition in a Chapter 11 case:

(1) a statement specifying the duties and positions of the following (to the extent compensated):

(A) the debtor, if an individual;

(B) the partners of the partnership;

(C) the officers and directors of the corporation, and any other insiders (as defined by 11 U.S.C. § 101); and

(D) the members of the limited liability company.

PART V

RULE 5001-1 COURT ADMINISTRATION - LAPSE IN APPROPRIATIONS

This Rule will become effective only when Congress fails to enact legislation to fund operations of the United States Courts. The Anti-Deficiency Act, 31 U.S.C. § 1515, limits permissible government activities in the event of such a failure to those otherwise “authorized by law” or those needed to meet “cases of emergency involving the safety of human life or the protections of property.”

This court is directly involved in the judicial process and under the Constitution and laws of the United States, it is always open to exercise the judicial power of the United States as a unit of the District Court. Thus, the court must continue, even in the absence of funding by Congress, to receive new cases, and to hear and dispose of pending cases. Activities will, however, be limited as nearly as practical to those functions necessary and essential to continue the resolution of pending cases. The court will advise the United States Marshal and the General Services Administration of the level of building and security services necessary to maintain such court operations.

The court finds that judges’ staffs and the Clerk and the Clerk’s staff are persons essential to the continuation of court operations. Work of all personnel shall be limited to those essential functions set forth above.

RULE 5001-2 CLERK - OFFICE LOCATION/HOURS

The Garmatz Federal Courthouse in Baltimore is open 24 hours while the Greenbelt Federal Courthouse is closed at 7:00 p.m. **The night box is intended as an after-hours convenience, and it is not intended as an alternative for filing papers during regular office hours.** Petitions, pleadings and other papers deposited in the night box will be “date stamped” as follows:

(1) Emergency: All petitions or pleadings designated as emergency filings by use of the appropriate cover sheet shall be date stamped as of the date deposited. A “Priority Cover Sheet” located at the drop box location must be placed on the front of all emergency or time sensitive petitions and pleadings.

(2) Non-emergency: All other petitions, pleadings and other papers will be date stamped the next business day.

(3) During periods outside regular office hours of the Clerk’s Office when the night box is not available, arrangements may be made in advance for emergency filings by contacting a designated court representative. - (8) a statement of any matter that must be resolved before trial.

(c) Required Pre-Filing of Exhibits.

(1) Adversary Proceedings and Chapter 11 Lift Stays. In all adversary proceedings and in motions seeking relief from stay in Chapter 11 cases, each party must pre-file all exhibits which that party intends to introduce into evidence, except for exhibits to be offered solely for rebuttal. Each party must include in the pre-filed exhibits any report by an expert whom the party may call as a witness or, if no report has been prepared, an affidavit by such expert as to the expert's direct testimony. The exhibits must be filed and received by the opposing parties within the time limits set in the scheduling order. In adversary proceedings, if opposing parties do not file written objections to pre-filed exhibits by the time specified in the scheduling order, the exhibits will be admitted into evidence.

(2) Method of Pre-Filing of Exhibits. All pre-filed exhibits must be filed within the time limits set in the scheduling order by submission of an original and two (2) copies. Each set of exhibits must be bound or affixed together and must have at the beginning an exhibit list

(1) Required Verified Statement. In all adversary proceedings and all contested matters, a party seeking to prove the amount of a liquidated debt must offer as an exhibit an affidavit setting forth the amount of the alleged claim or debt, itemized by component, unless the information is contained in a previously filed pleading in the matter and verified pursuant to 28 U.S.C. § 1746. The declarant must be present in the courtroom for cross-examination, or an objection made pursuant to Federal Rule of Evidence 802 may be sustained.

(2) Pre-filing Requirement. In adversary proceedings and Chapter 11 motions for relief from stay, the required affidavit or verified pleading must be pre-filed as an exhibit, in accordance with subsection (d)(1) of this Rule.

RULE 7026-1 DISCOVERY - GENERAL

(a) Discovery Request Limits. A party may not serve on any other party in a contested matter or an adversary proceeding more than thirty (30) interrogatories and thirty (30) requests for production, including all parts and sub-parts.

(b) Timely Written Discovery Requests Required. All discovery requests must be made at a sufficiently early date to assure that the time for response expires before any discovery deadlines set

by the court.

(c) Discovery to Proceed Despite Existence of Disputes. Unless otherwise ordered by the court, a discovery dispute as to one matter does not justify delay in taking or responding to any other discovery.

(d) Discovery Stayed Pending Resolution of Federal Bankruptcy Rule 7012(b) Motion. The filing of a motion pursuant to Federal Bankruptcy Rule 7012(b) stays discovery unless the movant presents matters outside the pleading.

(e) Format of Responses. Responses to discovery must restate each request followed by the response or a brief statement of the grounds for objection.

(f) Conference of Counsel Required. Counsel must confer concerning a discovery dispute and make good faith attempts to resolve their differences. The court will not resolve a discovery dispute unless the moving party has filed a certificate stating:

(1) the date, time, and place of the discovery conference, the names of all persons participating and any unresolved issues remaining; or

(2) the moving party's attempts to hold such a conference without success.

(g) Smoking During Depositions Prohibited. Unless all persons present agree, no one may smoke in a room where a deposition is being taken.

(h) Deposition of an Expert. The party taking the deposition of an expert shall pay a reasonable fee for the time spent by the expert in deposition and traveling to and from the deposition. The party designating the expert will pay any fee charged by the expert for time spent in preparing for the deposition.

(i) Copying Expenses. A party in interest requesting copies of documents that were produced

for inspection must pay the actual, reasonable costs of copying.

(j) Discovery Guidelines. Discovery Guidelines adopted by the court and set forth in Appendix C govern the conduct of discovery.

RULE 7054-2 ATTORNEYS' FEES

Unless a longer period is fixed by statute or by the court, motions by a prevailing party for an award of attorney's fees must be filed within twenty (20) days after the entry of judgment or order.

RULE 7055-1 DEFAULT - FAILURE TO PROSECUTE

(a) Clerk's Notice. If, upon the expiration of six (6) months after the filing of the last pleading, it appears to the Clerk that no significant activity has since occurred in an adversary proceeding or contested matter in which there is no scheduled hearing, the Clerk will send written notice to all parties to the adversary proceeding or contested matter that the proceeding or matter will be denied or dismissed without prejudice unless, within thirty (30) days after the date of the notice, the plaintiff or movant presents good and sufficient cause in writing why the dismissal or denial should not be ordered.

(b) Court Action. If there is no response to the Clerk's notice, an order of dismissal or denial

may be entered.

**RULE 7056-1 WHERE SUMMARY JUDGMENT IS REQUESTED AGAINST
PRO SE PARTY**

The notice of any motion seeking summary judgment in which the non-moving party is pro se shall conform substantially to Official Form 20A and, in addition, shall set forth the requirement for a response in substantially the following form:

NOTICE

A motion for summary judgment is a request that one or more issues in a case be decided without holding a trial. Motions for summary judgment are governed by Rule 56, Federal Rules of Civil Procedure. Summary judgment may be granted if (a) the material facts are not genuinely disputed and (b) based on those facts, the party asking for summary judgment is entitled to judgment as a matter of law. If you wish to oppose the motion, you must file with the court and serve on the other party, a written response at least two (2) business days prior to the hearing. **If you fail to file a timely written response to the motion, the court may assume you do not oppose the motion and may grant the motion without holding a hearing.** This will result in the termination of the matter in favor of the moving party. If you disagree with any of the facts stated by the other party, you must include with your response sworn statements from yourself or other knowledgeable witnesses supporting your version of the facts. A sworn statement may take the form either of an affidavit or a declaration signed under penalty of perjury. Any documents you want the court to consider should be identified in, and attached to, the sworn statements. If you are unable to obtain sworn statements supporting your position, you must file a sworn statement stating why you are unable to obtain such statements at this time.

(1) The court can permit any attorney (except a member of the Maryland Bar) who is a member in good standing of the Bar of any other United States Court or of the highest court of any state to appear and participate as counsel in a particular bankruptcy case. Such permission will not constitute formal admission to the Bar of the District Court. An attorney admitted pro hac vice is subject to the disciplinary jurisdiction of the District Court and of this court.

(2) A party represented by an attorney who has been admitted pro hac vice must also be represented by an attorney who is a member of the Bar of the District Court.

If new counsel has not entered an appearance within twenty (20) days after the filing of the motion to withdraw, the court may dismiss an affirmative claim for relief by, or enter a default against, the unrepresented party.

RULE 9010-5 ATTORNEY FOR DEBTORS - DUTIES

(a) An attorney who files a petition in bankruptcy on behalf of a debtor, or who subsequently enters an appearance on behalf of a debtor other than as special counsel approved under Bankruptcy Code § 327(e), will be counsel of record in all matters arising during the administration of the case, such as adversary proceedings and motions for relief from stay, except as set forth below;

(b) In an individual case, representation will continue through discharge and continue as to any matter pending at the time of the discharge. Such transmission shall also constitute a representation by the attorney or other person responsible for an electronic transmission to the court that he or she is in possession of the original petition, pleading, motion or other paper, with all

original signatures thereon other than those papers signed solely by the filing user and co-counsel.

RULE 9011-3 MAINTENANCE AND PRODUCTION OF ORIGINAL DOCUMENTS

(2) Parties may file with or append to their motion and memorandum, or to their responsive pleading and opposing memorandum, supporting affidavits or documents establishing the

elements of entitlement to the relief sought or any defense.

(3) Any responsive pleading and memorandum in opposition to a motion must be filed within fourteen (14) days from the date of service of said motion.

The chapter of the case shall be stated in the caption.

(b) Proposed orders for motions for relief from the automatic stay and responses thereto should be submitted to the court upon the earlier of:

(1) A consent being reached by all parties; or,

(2) After the conclusion of the hearing on the motion.

(c) When a proposed order is submitted to the court, copies shall be simultaneously transmitted to all other parties to the matter.

RULE 9013-4 CERTIFICATE OF SERVICE

(a) Any required certificate of service for a pleading, notice, objection or other paper must be in compliance with Federal Rule of Civil Procedure 5 and applicable provisions of the Federal Bankruptcy Rules. Pursuant to Federal Bankruptcy Rules 5005(a)(2) and 7005, service pursuant to the ECF Guidelines also constitutes valid service.

(b) The certificate shall be placed at the end of the item served and endorsed by an attorney of record, the attorney's authorized agent, or by a party if not represented by an attorney.

(c) The certificate must state:

(1) the date and method of service;

(2) the names and addresses of the persons served; and

(3) if persons are served in a representative capacity, the parties whom they represent.

RULE 9013-5 RESPONSIBILITY FOR PROPER SERVICE

(a) It is the obligation of an attorney or party that files a pleading to determine every party with a cognizable interest in the pleading that should receive a copy and the current address of each. A certificate of service signed by an attorney, by an attorney's authorized agent or by a party constitutes

a representation to the court that all parties entitled to service have been included and have been served properly. Violation of this paragraph shall be subject to an appropriate sanction.

(b) It is the obligation of an attorney or party filing a motion to review any notice of a hearing on that motion prepared by the Clerk and to communicate forthwith to the Clerk any deficiency in the notice and any omission in the list of parties receiving notice.

A statement of consent to have a jury trial conducted by a bankruptcy judge under 28 U.S.C. § 157(e) must be filed before the conclusion of the initial pretrial conference.

RULE 9018-1 PRIVACY POLICY AND TRANSCRIPT REDACTION PROCEDURES

(a) Privacy Policy. The Judicial Conference of the United States has adopted a privacy policy to restrict the publication of certain personal data in documents filed with the court. The policy

requires limiting social security and financial account numbers to the last four digits, using only initials for the names of minor children, and limiting dates of birth to the year. If such information is elicited during testimony in court proceedings, it will become available to the public when the official transcript is filed with the court unless, and until, it is redacted. The better practice is to avoid introducing this information into the record in the first place either through testimony or in exhibits. Counsel and pro se litigants are advised to take this into account when questioning witnesses or making other statements in court or introducing exhibits into evidence. If a restricted item is mentioned or introduced in court, parties may ask to have it stricken from the record or partially redacted to conform to the privacy policy or the court may do so on its own motion.

(b) Transcript Redaction Procedures. Upon the receipt of a transcript, the Clerk will serve a Notice of Requirement to Review Transcript on all parties to the hearing. Counsel, or pro se litigants, will have seven (7) business days from the date of a Notice of Requirement to Review Transcript to file a Statement of Intent to Review with the court, stating an intention to review the transcript to determine whether to request redaction of sensitive private information before the transcript is made electronically available to the public. The transcript will be available for review at the Clerk's Office or copies may be purchased from the transcriber. If a party files a Statement of Intent to Review with the court stating an intention to review the transcript, the party will have twenty-one (21) days from the date of the initial notice to review the transcript and file a Notice of Redaction of Transcript with the court (which will be a private, restricted event) and send a copy to the transcriber, listing the entries where personal data appears that should be redacted.

RULE 9019-1 SETTLEMENTS AND AGREED ORDERS

(a) Order. Subject to the requirements of Federal Bankruptcy Rules 2002(a)(3), 4001(d), and Ver. 12.08

9019, when the court is advised by the moving party that an adversary proceeding or contested matter has been settled, the court can enter an order dismissing the adversary proceeding or contested matter and providing for the payment of costs. Such an order of dismissal will be without prejudice to the right of a party to move for good cause to reopen the proceeding or matter within a reasonable time after settlement should have occurred if the settlement is not consummated. Alternatively, the court, upon notification by counsel that a proceeding or matter has been settled, can require counsel to submit, within ten (10) days, a proposed order providing for the settlement, in default of which the court can enter judgment or other appropriate order.

(b) Complete Disposition. An order entered pursuant to this Rule has the effect of noting the settlement of the entire adversary proceeding or contested matter, including all claims, counterclaims, third-party claims, and cross-claims, unless otherwise stated.

(c) In adversary proceedings, notices of settlements must be filed.

RULE 9019-2 ALTERNATIVE DISPUTE RESOLUTION

A Bankruptcy Dispute Resolution Program (“BDRP”) will be maintained and available to facilitate the resolution of disputes. The BDRP is to operate in such a way as to allow the participants to use a variety of alternative dispute resolution methods. These methods may include but are not limited to: mediation, negotiation, early neutral evaluation and settlement facilitation. The specific method or methods employed will be those that are appropriate, as determined by the Resolution Advocate and the parties.

(a) Cases Eligible for Inclusion in the BDRP. All controversies arising in an adversary proceeding, contested matter, or other dispute in a bankruptcy case, will be eligible for referral to the

BDRP except:

- (1) Employment and compensation of professionals;
- (2) Compensation of trustees and examiners;
- (3) Objections to discharge under 11 U.S.C. § 727, except where such objections are joined with disputes over dischargeability of debts under 11 U.S.C. § 523; and
- (4) Matters involving contempt or other types of sanctions.

(b) Panel of Resolution Advocates. The court shall maintain a panel of professionals (the “Panel”) who have volunteered to serve as Resolution Advocates to assist in resolution of matters referred to the BDRP.

(1) An application to serve as a member of the Panel (see Local Bankruptcy Form J-1) must be submitted to the BDRP Administrator by the deadlines established by the court each year.

(2) In order to qualify for service as a Resolution Advocate, each applicant must certify that the applicant is willing, (A) to serve as a Resolution Advocate for a minimum of one year, and (B) to evaluate or mediate pro bono matters not more often than once in six (6) months, subject only to unavailability due to conflicts, personal or professional commitments, or other matters that would make service inappropriate;

(3) The Applicant may indicate the Applicant’s availability to act as a Compensated Resolution Advocate in addition to the unpaid services described in paragraph (2) above. The Applicant should state the rates the Applicant would charge for such services;

(4) The court may limit panel membership to keep the Panel at an appropriate size and to ensure that the Panel is comprised of individuals with broad-based experience, superior skills and qualifications.

(c) Administration of the BDRP. A judge of this court will be appointed by the Chief Judge to serve as the BDRP Administrator. The BDRP Administrator will be aided by a staff member of the court, who will collect applications, maintain the roster of the Panel, track and compile results of the BDRP, and handle such other administrative duties as are necessary.

(d) Assignment to Dispute Resolution.

(1) If requested in writing by the parties, a contested matter, adversary proceeding, or other dispute (hereinafter collectively referred to as “Matter” or “Matters”) may be assigned to the BDRP by order of the court.

(2) While as a general rule participation in the BDRP is voluntary, any judge, acting sua sponte or on the request of a party, may designate specific Matters for inclusion in the program.

(3) If a Matter is assigned to the BDRP, the parties will be presented with the order assigning the Matter to the BDRP and a current roster of the Panel. The parties will be given the opportunity to confer and designate a mutually acceptable Resolution Advocate as well as an alternate Resolution Advocate.

(4) With the consent of the judge, the parties may select a Resolution Advocate who is not a member of the Panel, who shall be subject to the applicable provisions of this Rule.

(5) If the parties cannot agree, or if the judge deems selection by the court to be appropriate, the judge will select a Resolution Advocate.

(6) The order assigning a Matter to the BDRP will be Local Bankruptcy Form J-2(a). The Order Appointing Resolution Advocate will be Local Bankruptcy Form J-2(b). The original orders will be docketed and retained in the case or adversary proceeding file and copies mailed by the party so designated by the judge to the assigned Resolution Advocate, the alternate

Resolution Advocate, the BDRP Administrator's staff assistant and to all parties with a cognizable interest in the dispute. Assignment to the BDRP does not alter or affect any time limits, deadlines, scheduling matters or orders in any adversary proceeding, contested matter or other proceeding, unless specifically ordered by the court.

(7) A Resolution Advocate must promptly determine all conflicts or potential conflicts in the same manner as under the applicable rules pertaining to the Resolution Advocate's profession. If the Resolution Advocate's firm has represented one or more of the parties, the Resolution Advocate must promptly disclose that circumstance to all parties in writing. A party who believes that the assigned Resolution Advocate has a conflict of interest may promptly bring that matter to the attention of the Resolution Advocate. If the Resolution Advocate does not withdraw from the assignment, the matter must be brought to the attention of the court by the Resolution Advocate or any party.

(e) Dispute Resolution Procedures.

(1) Within seven (7) calendar days of notification of appointment, the Resolution Advocate shall:

(A) give notice to the parties of the time and place for the BDRP conference. The conference will commence not later than sixty (60) calendar days following the date of appointment of the Resolution Advocate unless the Order of Appointment provides a different time period in which to commence the BDRP Conference, and which will be held in a suitable neutral setting, such as the office of the Resolution Advocate. The Resolution Advocate will circulate for signature the Confidentiality Agreement, Local Bankruptcy Form J-3 at this conference; or

(B) if the Resolution Advocate is not available to serve in the Matter, notify the parties, the alternate Resolution Advocate, and the BDRP Administrator's staff assistant of that unavailability. The alternate Resolution Advocate will thereafter serve as the Resolution Advocate. Upon written stipulation between the Resolution Advocate and the parties, the BDRP conference may be continued for a period not to exceed thirty (30) days.

(2) Unless modified by the Resolution Advocate, no later than eight (8) days prior to the date of the BDRP Conference, each party must submit a written BDRP Statement directly to the Resolution Advocate. The plaintiff or movant will provide the Resolution Advocate with copies of the complaint or motion and the answer or opposition with respect to the contested matter along with the BDRP Statement. For good cause, the judge may order a different schedule. The Resolution Advocate must keep a BDRP Statement confidential and not disclose its contents to anyone without express written consent of the party submitting it.

(3) Such statements will not exceed ten (10) pages (not counting exhibits and attachments). While such statements may include any information that would be useful, they must:

(A) identify the person(s), in addition to counsel, who will attend the session as representative of the party with decision making authority;

(B) describe briefly the substance of the dispute;

(C) address whether there are legal or factual issues whose early resolution might appreciably reduce the scope of the dispute or contribute significantly to settlement;

(D) identify the discovery that could contribute most to equipping the parties for meaningful discussions;

(E) set forth the history of past settlement discussions, including disclosure of prior and

any presently outstanding offers and demands;

(F) make an estimate of the cost and time to be expended for further discovery, pretrial motions, expert witnesses and trial; and

(G) indicate presently scheduled dates for further status conferences, pretrial conferences, trial or otherwise.

(4) Parties may identify in the BDRP Statements persons connected to a party opponent (including a representative of a party opponent's insurance carrier) whose presence at the BDRP Conference would improve substantially the prospects for making the session productive; the fact that a person has been so identified, will not, by itself, result in an order compelling that person to attend the BDRP Conference. A separate motion and court order are required.

(5) Parties must attach to their written BDRP Statements copies of documents out of which the dispute has arisen, e.g., contracts and those documents whose availability would materially advance the purposes of the BDRP Conference.

(6) The BDRP Statements shall not be filed. The court shall not have access to them.

(7) Counsel for each party who is primarily responsible for the Matter (or the party, who is proceeding pro se) will personally attend the BDRP Conference and any adjourned sessions of that conference. Counsel for each party must come prepared to discuss resolution of the Matter in detail and in good faith.

(8) All individual parties, and representatives with authority to negotiate and to settle the Matter on behalf of parties other than individuals, shall attend the BDRP Conference in person, unless excused by the Resolution Advocate for cause. A party or lawyer who is excused from appearing in person at the BDRP Conference may be required to participate by telephone.

(9) The Resolution Advocate may direct parties to attend a second BDRP Conference, if in the judgment of the Resolution Advocate, a subsequent mediation session would promote resolution of the dispute.

(10) Willful failure to attend the BDRP Conference, or other violations of this Rule, shall be reported to the court by the Resolution Advocate and may result in the imposition of sanctions by the court.

(11) (A) All written and oral communications made in connection with or during any BDRP Conference, including the BRRP Statements, will be subject to all protections afforded by Federal Rule of Evidence 408. No such communication may be used in any present or future proceeding for any purpose. Nevertheless, if all of the parties to the BDRP and the Resolution Advocate agree in writing, such communications may be disclosed. Notwithstanding the foregoing, this paragraph 11(A) does not require the exclusion of any evidence:

(i) otherwise discoverable, merely because it is presented in the course of a BDRP conference; or

(ii) offered for another purpose, such as providing bias or prejudice of a witness, negating a contention of undue delay, or proving an effort to obstruct a criminal investigation or prosecution.

(B) Nothing in this section (e) will be construed to prevent parties, counsel or Resolution Advocates from responding in absolute confidentiality, to inquiries or surveys by persons authorized by this court to evaluate the BDRP. Nor will anything in this section be construed to prohibit parties from entering into written agreements resolving some or all of the Matter or entering or filing procedural or factual stipulations based on suggestions or agreements made in

connection with a BDRP conference.

(12) If the Resolution Advocate makes any oral or written suggestions as to the advisability of a change in any party's position with respect to settlement, the attorney for that party must promptly transmit that suggestion to the client.

(13) The Resolution Advocate has no obligation to make any written comments or recommendations, but may, as a matter of discretion, provide the attorneys for the parties with a written settlement recommendation memorandum. No copy of any such memorandum will be filed with the clerk or made available in whole or in part, directly or indirectly, to the court.

(14) The BDRP Conference will proceed informally. Rules of evidence do not apply. There will be no formal examination or cross-examination of witnesses. Where necessary, the Resolution Advocate may conduct continued BDRP Conferences after the initial session. As appropriate, the Resolution Advocate may:

(A) permit each party (through counsel or otherwise) to make an oral presentation of its position;

(B) help the parties identify areas of agreement and, where feasible, enter stipulations;

(C) assess the relative strengths and weaknesses of the parties' contentions and evidence, and explain as carefully as possible the reasoning of the Resolution Advocate that supports these assessments;

(D) assist the parties, through separate consultation or otherwise, in settling the dispute;

(E) estimate, where feasible, the likelihood of liability and the dollar range of damages;

(F) help the parties devise a plan for sharing the important information and/or conducting the key discovery that will equip them as expeditiously as possible to participate

in meaningful settlement discussions or to posture the cases for disposition by other means;
and

(G) determine whether some form of follow-up to the conference would contribute to the case development process or to settlement.

(f) Procedure Upon Completion of Dispute Resolution Session. Upon the conclusion of the BDRP conference, the following procedure will be followed:

(1) If the parties have reached an agreement regarding the disposition of the Matter, the parties, with the advice of Resolution Advocate, will determine who will prepare the writing to dispose of the Matter, and they may continue the BDRP Conference to a date convenient to all parties and the Resolution Advocate as necessary. Where required by provisions of the Bankruptcy Code or other applicable law, they must promptly submit the fully executed stipulation to the court for approval. Where court approval is not required, the written agreement disposing of the matter will be enforceable pursuant to applicable law.

(2) The Resolution Advocate must file with the court and serve on the parties and the BDRP Administrator's staff assistant, within ten (10) calendar days, Local Bankruptcy Form J-4 showing whether there has been compliance with the BDRP Conference requirements of this Rule, and whether or not a settlement has been reached. Regardless of the outcome of the BDRP Conference, the Resolution Advocate will not provide the court with any details of the substance of the conference; and

(3) In order to assist the BDRP Administrator in compiling useful data to evaluate the BDRP, and to aid the court in assessing the efforts of the members of the Panel, the Resolution Advocate will provide the BDRP Administrator's staff assistant with an estimate of the number

of hours spent in the BDRP Conference and otherwise on the matter, which report must be on Local Bankruptcy Form J-5.

(g) Compensated Resolution Advocacy. In addition to serving as a Resolution Advocate on a pro bono basis, a panel member may act as a Compensated Resolution Advocate (“CRA”) in other matters.

(1) The CRA will be appointed as set forth above in this Rule, but the appointing Order will set forth the terms of the CRA’s engagement.

(2) If the CRA is to receive compensation from the bankruptcy estate,

(A) a notice shall be filed setting forth the identity of the Resolution Advocate (whether or not on the panel) and the terms and conditions of compensation (including hourly rate) with a right to object/comment on such terms and conditions, subject to such time limitations as the judge deems reasonable under the circumstances;

(B) if the proposed compensation to the Resolution Advocate is \$3,000.00 or less, there is no need for further court order to authorize payment to the Resolution Advocate;

(C) if the proposed compensation to the Resolution Advocate is proposed to be more than \$3,000.00, a notice for an award of final compensation shall be filed by or on behalf of the Resolution Advocate and served as an application under Bankruptcy Rule 2002(a)(6) with an opportunity for parties to object/comment within twenty (20) days after the filing of the notice; however, the inability of the BDRP to result in a settlement/ stipulation shall not be a factor to be used in awarding less compensation than would be allowed based on an application of the terms and conditions of compensation upon retention of the Resolution Advocate; and

(D) the estate's share of such compensation shall be an administrative claim against the estate.

(3) Unless the appointing order provides for compensation solely by the bankruptcy estate, no CRA will be appointed without the consent of all parties to the controversy submitted to the BDRP.

RULE 9029-1 LOCAL BANKRUPTCY RULES - GENERAL

Any judge of this court may suspend or modify a requirement or provision of any of these Rules in a particular case, adversary proceeding or contested matter on the court's own motion or on motion of a party.

RULE 9033-1 PROPOSED FINDINGS OF FACT AND CONCLUSIONS OF LAW IN NON-CORE PROCEEDING

When a party has objected to proposed findings or conclusions pursuant to Federal Bankruptcy Rule 9033(b), for the purpose of preparing the record and identifying the issues for the District Court, the parties will follow the procedures set forth in Federal Bankruptcy Rule 8006 by treating the objection(s) as an appeal. The bankruptcy judge may order the designated extract supplemented.

RULE 9036-1 NOTICE BY ELECTRONIC TRANSMISSION

In addition to service of notice by electronic transmission or by first-class mail, notice may be given by hand-delivery or facsimile transmission, except that the Clerk shall not accept for filing any

facsimile transmission. All notices given by facsimile transmission shall be followed by hard copy notice with original signature mailed by the next business day.

RULE 9070-1 EXHIBITS

(a) Pending Appeal. From the conclusion of a hearing or trial to the expiration of the time within which to file a notice of appeal or, in the event that an appeal is taken, until the transmission of the record to the District Court, the Clerk will retain all documentary exhibits except ones of unusual bulk or weight. Documents of unusual bulk or weight and all non-documentary exhibits will remain in the custody of the attorney presenting them, who (1) will permit inspection of them by counsel for another party for the purpose of preparing the record on appeal, (2) will be responsible for their safekeeping, and (3) if requested, will send them to the appellate court.

(b) Upon Termination of Action. Upon the closing of a contested matter or adversary proceeding, the Clerk will send notice to all counsel advising counsel to remove, within thirty (30) days, all trial and hearing exhibits and all sealed materials that counsel presented at any time during the pendency of the contested matter or adversary proceeding. If a party fails to retrieve exhibits within thirty (30) days, the exhibits will be discarded by the Clerk.

Local Bankruptcy Form M

- i. Until the plan is confirmed, adequate protection payments and/or personal property lease payments on the following claims will be paid directly by the Debtor; and, after confirmation of the plan, the claims will be treated as specified in 2.e.ii and 2.e.iii, below (designate the amount of the monthly payment to be made by the Debtor prior to confirmation, and provide the redacted account number (last 4 digits only), if any, used by the claimant to identify the claim):

<u>Claimant</u>	<u>Redacted Acct. No.</u>	<u>Monthly Payment</u>
-----------------	---------------------------	------------------------

- ii. Pre-petition arrears on the following claims will be paid through equal monthly amounts under the plan while the Debtor maintains post-petition payments directly (designate the amount of anticipated arrears, and the amount of the monthly payment for arrears to be made under the plan):

<u>Claimant</u>	<u>Anticipated Arrears</u>	<u>Monthly Payment</u>	<u>No. of Mos.</u>
-----------------	----------------------------	------------------------	--------------------

- iii. The following secured claims will be paid in full, as allowed, at the designated interest rates through equal monthly amounts under the plan:

<u>Claimant</u>	<u>Amount</u>	<u>% Rate</u>	<u>Monthly Payment</u>	<u>No. of Mos.:</u>
-----------------	---------------	---------------	------------------------	---------------------

- iv. The following secured claims will be satisfied through surrender of the collateral securing the claims (describe the collateral); any allowed claims for deficiencies will be paid pro rata with general unsecured creditors; upon confirmation of the plan, the automatic stay is lifted, if not modified earlier, as to the collateral of the listed creditors:

- v. The following secured claims are not affected by this plan and will be paid outside of the plan directly by the Debtor:

- vi. If any secured claim not described in the previous paragraphs is filed and not disallowed, that claim shall be paid or otherwise dealt with outside the plan directly by the Debtor, and it will not be discharged upon completion of the plan.

- vii. In the event that the trustee is holding funds in excess of those needed to make the payments specified in the Plan for any month, the trustee may pay secured

claims listed in paragraphs 2.e.ii and 2.e.iii in amounts larger than those specified in such paragraphs.

f. After payment of priority and secured claims, the balance of funds will be paid pro rata on allowed general, unsecured claims. (If there is more than one class of unsecured claims, describe each class.)

3. The amount of each claim to be paid under the plan will be established by the creditor's proof of claim or superseding Court order. The Debtor anticipates filing the following motion(s) to value a claim or avoid a lien. (Indicate the asserted value of the secured claim for any motion to value collateral.):

4. Payments made by the Chapter 13 trustee on account of arrearages on pre-petition secured claims may be applied only to the portion of the claim pertaining to pre-petition arrears, so that upon completion of all payments due under the Plan, the loan will be deemed current through the date of the filing of this case. For the purposes of the imposition of default interest and post-petition charges, the loan shall be deemed current as of the filing of this case.

5. Secured Creditors holding claims subject to cramdown will retain their liens until the earlier of the payment of the underlying debt determined under nonbankruptcy law, or discharge under § 1328; and if the case is dismissed or converted without completion of the plan, the lien shall also be retained by such holders to the extent recognized under applicable nonbankruptcy law.

6. The following executory contracts and/or unexpired leases are assumed (or rejected, so indicate); any unexpired lease with respect to personal property that has not previously been assumed during the case, and is not assumed in the plan, is deemed rejected and the stay of §§ 362 and/or 1301 is automatically terminated:

7. Title to the Debtor's property shall revert in the Debtor when the Debtor is granted a discharge pursuant to 11 U.S.C. §1328, or upon dismissal of the case, or upon closing of the case.

**LOCAL RULES
U. S. DISTRICT COURT, DISTRICT OF MARYLAND**

IV. BANKRUPTCY PROCEEDINGS

Rule 401. Rules in Bankruptcy Court Proceedings

Proceedings in the Bankruptcy Court shall be governed by Local Bankruptcy Rules as adopted from time to time by order of the Court.

Rule 402. Referral of Bankruptcy Cases and Proceedings

Pursuant to 28 U.S.C. Section 157(a), all cases under Title 11 of the United States Code and proceedings arising under Title 11 or arising in or related to cases under Title 11 shall be deemed to be referred to the Bankruptcy Judges of this District.

Rule 403. Definition of Transmittal

As used in this chapter, transmittal of a document includes the forwarding of a paper document or copy; or providing access to an electronic document in accordance with the procedures adopted by the court.

Rule 404. Appeals to the District Court

1. Manner of Appeal

a. Generally. Appeals to the District Court from the Bankruptcy Court shall be taken in the manner prescribed in Part VIII of the Bankruptcy Rules, Rules 8001 et. seq.

b. Bankruptcy Court Opinion and Order. Appellant shall provide with the opening brief a copy of the Bankruptcy Court opinion and order from which the appeal is being taken.

2. Dismissal for Non-Compliance With Bankruptcy Rule 8006

Whenever the appellant fails to designate the contents of the record on appeal or to file a statement of the issues to be presented on appeal within the time required by Bankruptcy Rule 8006, the Bankruptcy Clerk shall transmit forthwith to the Clerk of the District Court a partial record consisting of a copy of the order or judgment appealed from, the notice of appeal, a copy of the docket entries and such other documents as the Bankruptcy Clerk deems relevant to the appeal. (The District Court may thereafter order the Bankruptcy Clerk to transmit any other relevant documents to the Clerk of the District Court). When the partial record has been filed in the District Court the Court may, upon motion of the appellee (which is to be filed in the District Court) or upon its own initiative, dismiss the appeal for non-compliance with Bankruptcy Rule 8006 after giving the appellant an opportunity to explain the non-compliance and upon considering whether the non-compliance had prejudicial effect on the other parties.

3. Dismissal for Non-Compliance With Bankruptcy Rule 8009

Whenever the appellant fails to serve and file a brief within the time required by Bankruptcy Rule 8009, the District Court may, upon motion of the appellee (to be filed in the District Court) or upon its own initiative, dismiss the appeal after giving the appellant an opportunity to explain the non-compliance and upon considering whether the non-compliance had prejudicial effect on the other parties.

4. Procedure Regarding Motion To Stay Pending Appeal

After seeking appropriate relief under Bankruptcy Rule 8005, an appellant seeking a stay pending appeal by the District Court of an order entered by the Bankruptcy Court shall file with the Clerk of the District Court a motion to stay and copies of all documents in the record of the Bankruptcy Court relevant to the appeal. Upon the filing of these documents the Clerk of the District Court shall immediately open a civil file and the District Court shall give immediate consideration to the motion to stay. If the underlying appeal is ultimately perfected, it will be assigned the same civil action number as was assigned to the motion to stay.

5. Bankruptcy Court Certification Regarding Interlocutory Appeal

Whenever there has been filed in the District Court an application for leave to appeal an interlocutory order of the Bankruptcy Court, the Bankruptcy Court shall, upon request of the District Court, submit to the District Court a written certification stating whether, in its opinion, the interlocutory order involves a controlling question of law as to which there is substantial ground for difference of opinion and whether an immediate appeal of it may materially advance the ultimate termination of the case. The District Court shall thereafter determine whether to grant or deny the application for leave to appeal.

Rule 405. Rules of Procedure for Withdrawal of Reference

1. General Rule

When a case or proceeding has been referred by this Court to the Bankruptcy Court,

all documents and pleadings in or related to such case or proceeding shall be filed with the Clerk in the Bankruptcy Court.

2. Withdrawal of Reference of Bankruptcy Case or Proceedings

a. Filing of Motion for Withdrawal of Reference With Bankruptcy Clerk

A motion pursuant to 28 U.S.C. § 157(d) to withdraw the reference of any bankruptcy case, contested matter or adversary proceeding referred to the Bankruptcy Court pursuant to 28 U.S.C. § 157(a) and Local Rule 402 shall be filed with the Clerk in the Bankruptcy Court. If the motion requests withdrawal of only a portion of the case, a contested matter, or a portion of an adversary proceeding, the motion shall be accompanied by the filing of a designation of the documents and pleadings filed in the case or proceeding to which the motion relates.

b. Withdrawal of Reference of Bankruptcy Cases

A motion to withdraw the reference of a case to the Bankruptcy Court must be timely filed, and in any event, before the case is closed.

c. Withdrawal of Reference of Adversary Proceeding or Contested Matter

A motion to withdraw an adversary proceeding or a contested matter which has been referred to the Bankruptcy Court must be filed by the earlier of eleven (11) days before the date scheduled for the first hearing on the merits and,

i. in the case of an adversary proceeding, within twenty (20) days after the last pleading is permitted to be filed pursuant to Bankruptcy Rule 7012; or

ii. in the case of a contested matter, within twenty (20) days after the last responsive pleading or memorandum in opposition is permitted to be filed pursuant to Local Bankruptcy Rule 9013-1(b)(3).

3. Filing of Pleadings After Reference Withdrawn

a. If the reference of an entire case has been withdrawn from the Bankruptcy Court to the District Court, all pleadings and documents in or related to such case shall be thereafter filed with the Clerk in the District Court.

b. Where the reference of only a portion of an entire case has been withdrawn, pleadings and documents with respect to the case (including any parts thereof that have been withdrawn or transferred) shall continue to be filed with the Clerk in the Bankruptcy

Court. Any pleadings and documents which relate to any parts of the case which have been withdrawn or transferred to the District Court shall also be filed with the Clerk of the District Court.

c. Upon withdrawal or transfer of any complaint to the District Court, the plaintiff may forward to defendant a notice and request to waive service of summons or the Clerk shall issue a District Court summons pursuant to Fed. R. Civ. 4(d) unless either of the aforementioned has already occurred pursuant to the Bankruptcy Rules.

d. This subsection (d) governs personal injury tort and wrongful death claims which must be tried in the District Court pursuant to 28 U.S.C. § 157(b)(5). Except for the procedures contained within this subsection, personal injury tort and wrongful death proceedings shall be filed with the Clerk in the Bankruptcy Court. However, beneath the bankruptcy number, the pleading or other document shall designate the pleading or document as a "SECTION 157(b)(5) MATTER." When filing a complaint a completed District Court civil cover sheet (A.O. Form JS-44c) should be submitted beneath the Bankruptcy Court cover sheet required by Local Bankruptcy Rule 7003-1. No summons shall be issued until the proceeding is transferred to the District Court. Upon filing the complaint, the Clerk in the Bankruptcy Court shall immediately transfer the proceeding to the District Court and plaintiff may send to the defendant(s) a notice and request to waive service of summons pursuant to Fed. R. Civ. P. 4(d) or the Clerk of the District Court shall issue a summons.

4. Motions Concerning Venue in Bankruptcy Cases and Proceedings

All motions concerning venue in cases arising under Title 11 or arising in or related to cases under Title 11 shall be determined by the Bankruptcy Court, except in those cases to be tried in the District Court pursuant to 28 U.S.C. § 157(b)(5).

Rule 406. Jury Trial

1. Demand. In any bankruptcy proceeding any party may demand a trial by jury of any issue triable of right by jury by (1) serving upon the other parties a demand therefor in writing at any time after the commencement of the action and not later than 10 days after the service of the last pleading directed to such issue, and (2) filing the demand as required by Bankruptcy Rule 9015. Such demand may be indorsed upon a pleading of the party. If the adversary proceeding is one that has been removed from another court, any demand previously made under the rules of that court shall constitute a demand for trial by jury under this rule.

2. Specification of Issues. In the demand a party may specify the issues which the party wishes so tried; otherwise the party shall be deemed to have demanded trial by jury for all the issues so triable. If the party has demanded trial by jury for only some of the issues, any other party within 10 days after service of the demand or such lesser time as the Court may order, may serve a demand for trial by jury of any other or all of the issues of fact in the action.

3. Waiver. The failure of a party to serve and file a demand as required by this rule

constitutes a waiver by the party of trial by jury. A demand for trial by jury made as herein provided may not be withdrawn without the consent of the parties.

4. Consent to Jury Trial before United States Bankruptcy Judge. Pursuant to 28 U.S.C. 157(e), with the consent of the parties, a District Judge may designate a Bankruptcy Judge to conduct a jury trial.

Rule 407. Removal

Removals under 28 U.S.C. section 1452 or section 1441 in cases related to bankruptcy cases should be filed with the Bankruptcy Clerk.

**DISCOVERY GUIDELINES OF THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MARYLAND**

GUIDELINE 1: CONDUCT OF DISCOVERY

- a. **The purpose of these Guidelines is to facilitate the just, speedy, and inexpensive conduct of discovery in all civil cases before the Court, and these Guidelines will be construed and administered accordingly with respect to all attorneys, parties, and non-parties involved in discovery of civil cases before this Court.**
- b. **Compliance with these Guidelines will be considered by the Court in resolving discovery disputes, including whether sanctions should be awarded pursuant to Fed. R. Civ. P. 37.**
- c. **Attorneys are expected to behave professionally and with courtesy towards all involved in the discovery process, including but not limited to opposing counsel, parties and non-parties.**
- d. **Whenever possible, attorneys are expected to communicate with each other in good faith throughout the discovery process to resolve disputes without the need for intervention by the Court. In the event that such good faith efforts are unsuccessful, the disputes should be referred promptly to the Court for resolution.**
- e. **To the extent that any part of these Guidelines is considered by the Court to conflict with any Federal Rule of Civil Procedure, Local Rules of this Court, or order of this Court in a particular case, then the conflicting rule or order should be considered to be governing.**

GUIDELINE 2: STIPULATIONS SETTING DISCOVERY DEADLINES

Subject to approval by the Court, attorneys are encouraged to enter into written discovery stipulations to supplement the Court's scheduling order.

GUIDELINE 3: EXPERT WITNESS FEES

- a. Unless counsel agree that each party will pay its own experts, the party taking an expert witness' deposition ordinarily pays the expert's fee for the time spent in deposition and related travel. *See* L.R. 104.11.a. Accordingly, counsel for the party that designated the expert witness should try to assure that the fee charged by the expert to the party taking the deposition is fair and reasonable. In the event a dispute arises as to the reasonableness or other aspects of an expert's fee, counsel should promptly confer and attempt in good faith to resolve the dispute without the involvement of the Court. If counsel are unsuccessful, the expert's deposition shall proceed on the date noted, unless the Court orders otherwise, and the dispute respecting payment shall be brought to the Court's attention promptly. The factors that may be considered in determining whether a fee is reasonable include, but are not limited to: (1) the expert's area of expertise; (2) the expert's education and training; (3) the fee being charged to the party who designated the expert; and (4) the fees ordinarily charged by the expert for non-litigation services, such as office consultations with patients or clients.

- b. Recognizing that a treating physician may be considered both a fact witness and an expert, the Court has chosen to impose a specific limitation on the fee a treating physician may charge to either party. It is implicit in L.R. 104.11.b, which requires counsel to estimate the hours of deposition time required, that the physician may charge a fee for the entire time he or she reserved in accordance with the estimate, even if counsel conclude the deposition early. Further, unless the physician received notice at least two business days in advance of a cancellation, the physician is entitled to be paid for any time reserved that cannot reasonably be filled. Every effort should be made to schedule depositions at a time convenient for the witness, and to use videotaped *de bene esse* depositions rather than requiring the physician's presence at trial. Note that the Rule does not limit the reasonable fee a treating physician may charge if required to testify in Court.

GUIDELINE 4: SCHEDULING DEPOSITIONS

- a. **Attorneys are expected to make a good faith effort to coordinate deposition dates with opposing counsel, parties, and non-party deponents, prior to noting a deposition.**
- b. **Before agreeing to a deposition date, an attorney is expected to attempt to clear the date with his/her client if the client is a deponent, or wishes to attend the deposition, and with any witnesses the attorney agrees to attempt to produce at the deposition without the need to have the witness served with a subpoena.**
- c. **An agreed upon deposition date is presumptively binding. An attorney seeking to change an agreed upon date has a duty to coordinate a new date before changing the agreed date.**

GUIDELINE 5: DEPOSITION QUESTIONING, OBJECTIONS AND PROCEDURE

- a. **An attorney should not intentionally ask a witness a question that misstates or mischaracterizes the witness' previous answer.**
- b. **During the taking of a deposition, it is presumptively improper for an attorney to make objections which are not consistent with Fed. R. Civ. P. 30(d)(1). Objections should be stated as simply, concisely and non-argumentatively as possible to avoid coaching or making suggestions to the deponent, and to minimize interruptions in the questioning of the deponent (for example: "objection, leading"; "objection, asked and answered"; "objection, compound question"; "objection, form"). If an attorney desires to make an objection for the record during the taking of a deposition that reasonably could have the effect of coaching or suggesting to the deponent how to answer, then the deponent, at the request of any of the attorneys present, or, at the request of a party if unrepresented by an attorney, shall be excused from the deposition during the making of the objection.**
- c. **An attorney should not repeatedly ask the same or substantially identical question of a deponent if the question already has been asked and fully and responsively answered by the deponent. Upon objection by counsel for the deponent, or by the deponent if unrepresented, it is presumptively improper for an attorney to continue to ask the same or substantially identical question of a witness unless the previous answer was evasive or incomplete.**

- d. It is presumptively improper to instruct a witness not to answer a question during the taking of a deposition unless under the circumstances permitted by Fed. R. Civ. P. 30(d)(1). However, it is also presumptively improper to ask questions clearly beyond the scope of discovery permitted by Fed. R. Civ. P. 26(b)(1), particularly of a personal nature, and continuing to do so after objection shall be evidence that the deposition is being conducted in bad faith or in such a manner as unreasonably to annoy, embarrass, or oppress the deponent or party, which is prohibited by Fed. R. Civ. P. 30(d)(3).**
- e. If requested to supply an explanation as to the basis for an objection, the objecting attorney should do so, consistent with Guideline 5(b) above.**
- f. While the interrogation of the deponent is in progress, neither an attorney nor the deponent should initiate a private conversation except for the purpose of determining whether a privilege should be asserted. To do so otherwise is presumptively improper.**
- g. During breaks in the taking of a deposition, no one should discuss with the deponent the substance of the prior testimony given by the deponent during the deposition. Counsel for the deponent may discuss with the deponent at such time whether a privilege should be asserted or otherwise engage in discussion not regarding the substance of the witness's prior testimony.**
- h. Unless otherwise ordered by the Court, the following persons may, without advance notice, attend a deposition: individual parties; a representative of non-individual parties; and expert witnesses of parties. Except for the persons identified above, counsel shall notify other parties not later than five (5) business days before the taking of a deposition if counsel desires to have a non-party present during a deposition. If the parties are unable to agree to the attendance of this person, then the person shall not be entitled to attend the deposition unless the party desiring to have the person attend obtains a Court order permitting him/her to do so. Unless ordered by the Court, however, a dispute regarding who may attend a deposition shall not be grounds for delaying the deposition. All persons present during the taking of a deposition should be identified on the record before the deposition begins.**
- i. Except for the person recording the deposition in accordance with Fed. R. Civ. P. 30(b),**

during the taking of a deposition no one may record the testimony without the consent of the deponent and all parties in attendance, unless otherwise ordered by the Court.

GUIDELINE 6: ASSERTIONS OF PRIVILEGE AT DEPOSITIONS

- a. When a claim of privilege is asserted during a deposition, and information is not provided on the basis of such assertion:**
 - i. In accordance with Fed. R. Civ. P. 26(b)(5), the person asserting the privilege shall identify during the deposition the nature of the privilege (including work product) that is being claimed.**
 - ii. After a claim of privilege has been asserted, the person seeking disclosure shall have reasonable latitude during the deposition to question the witness to establish other relevant information concerning the assertion of privilege, including: (i) the applicability of the particular privilege being asserted; (ii) any circumstances which may constitute an exception to the assertion of the privilege; (iii) any circumstances which may result in the privilege having been waived; and (iv) any circumstances that may overcome a claim of qualified privilege. In accordance with Fed. R. Civ. P. 26(b)(5), the party asserting the privilege, in providing the foregoing information, shall not be required to reveal the information which is itself privileged or protected from disclosure.**

**GUIDELINE 7: MAKING A RECORD OF IMPROPER
CONDUCT DURING A DEPOSITION**

Upon request of any attorney, party unrepresented by an attorney, or the deponent if unrepresented by an attorney, the person recording the deposition in accordance with Fed.R. Civ. P. 30(b) shall enter on the record a description by the requesting person of conduct of any attorney, party, or person attending the deposition which violates these guidelines, the Federal Rules of Civil Procedure, or the Local Rules of this Court.

GUIDELINE 8: DELAY IN RESPONDING TO DISCOVERY REQUESTS

a. Interrogatories, Requests for Production of Documents, and Requests for Admission of Facts and Genuineness of Documents.

The Federal Rules of Civil Procedure designate the time prescribed for responding to interrogatories, requests for production of documents, and requests for admission of facts and genuineness of documents. Nothing contained in these guidelines modifies the time limits prescribed by the Federal Rules of Civil Procedure. Attorneys shall make good faith efforts to respond to discovery requests within the time prescribed by those rules.

Absent exigent circumstances, attorneys seeking additional time to respond to discovery requests shall contact opposing counsel as soon as practical after receipt of the discovery request, but not later than three days before the response is due. In multiple party cases, the attorney wanting additional time shall contact the attorney for the party propounding the discovery.

A request for additional time which does not conflict with a scheduling deadline imposed by the Federal Rules of Civil Procedure, the Local Rules of this Court, or a Court order should not be unreasonably refused. If a request for additional time is granted, the requesting party shall promptly prepare a writing which memorializes the agreement, which shall be served on all parties but need not be submitted to the Court for approval.

Unless otherwise provided by the Local Rules of this Court, no stipulation which modifies a Court-imposed deadline shall be deemed effective unless and until the Court approves the stipulation.

b. Depositions.

Unless otherwise ordered by the Court or agreed upon by the parties, eleven days' notice shall be deemed to be "reasonable notice" within the meaning of Fed. R. Civ. P.30(b)(1), for the noting of depositions.

**GUIDELINE 9: INTERROGATORIES, REQUESTS FOR PRODUCTION OF
DOCUMENTS, ANSWERS TO INTERROGATORIES, AND
WRITTEN RESPONSES TO DOCUMENT REQUESTS**

- a. A party may object to an interrogatory, document request, or part thereof, while simultaneously providing partial or incomplete answers to the request. If a partial or incomplete answer is provided, the answering party shall state that the answer is partial or incomplete.**

- b. No part of an interrogatory or document request should be left unanswered merely because an objection is interposed to another part of the interrogatory or document request.**

- c. In accordance with Fed. R. Civ. P. 26(b)(5), where a claim of privilege is asserted in objecting to any interrogatory, document request, or part thereof, and information is not provided on the basis of such assertion:**
 - i. The party asserting the privilege shall, in the objection to the interrogatory, document request, or part thereof, identify with specificity the nature of the privilege (including work product) that is being claimed;**

 - ii. The following information should be provided in the objection, if known or reasonably available, unless divulging such information would cause disclosure of the allegedly privileged information;**
 - a. For oral communications:**
 - i. the name of the person making the communication and the names of persons present while the communication was made, and, where not apparent, the relationship of the persons present to the person making the communication;**

 - ii. the date and place of the communication; and**

**COMPENSATION GUIDELINES FOR PROFESSIONALS
IN THE UNITED STATES BANKRUPTCY COURT
FOR THE DISTRICT OF MARYLAND**

The following guidelines apply to professional fee applications in all bankruptcy cases in the United States Bankruptcy Court for the District of Maryland. These guidelines shall apply to all professionals seeking compensation pursuant to 11 U.S.C. §§327, 328, 330 and 331, including attorneys, accountants, examiners, investment bankers and real estate advisors, unless the court, in the order employing such professional or other order, provides otherwise. These guidelines set forth information to be contained in both interim and final applications for the approval of fees and expenses.

Although conformity to these guidelines will ensure that certain necessary information is included to assist the court in its review of professional fee applications, it must be remembered that the following are guidelines only. Applications for compensation may vary from case to case, and each application must be reviewed on its own merits depending upon the facts and circumstances of the case. Familiarity with and adherence to the following guidelines will, it is hoped, promote the submission of more uniform professional fee applications containing adequate information, and facilitate a meaningful review process and more expeditious action by the court.

A. Format of Fee Applications.

Bankruptcy Rule 2016(a) sets forth certain requirements with respect to professional fee applications. The application should set forth a detailed statement of (1) the services rendered, (2) the time expended, (3) the expenses incurred, (4) the amounts requested, (5) the rates charged

for such services, (6) how the services rendered were necessary to the administration of, or beneficial at the time at which the services were rendered toward the completion of, the case, (7) information relevant to a determination that the services were performed within a reasonable amount of time commensurate with the complexity, importance and nature of the problem, issue or task addressed, and (8) an affirmation that the compensation requested is reasonable based upon the customary compensation and reimbursement of expenses charged by the applicant and comparably skilled professionals in nonbankruptcy matters. In addition, applications should include a statement as to what payments have been made or promised to the applicant, the source of the compensation paid or promised, whether there is any sharing arrangement and the particulars as to any such sharing arrangement. Applications should also set forth the date the order approving employment was entered and the dates of entry of any previous orders approving interim compensation to the applicant and the amounts of compensation previously approved. Finally, fee applications should include a "lodestar" analysis and discussion of the factors identified in Johnson v. Georgia Highway Express, Inc., 488 F.2d 714 (5th Cir. 1974), and adopted by the Fourth Circuit in Barber v. Kimbrell's, Inc., 577 F.2d 216 (4th Cir. 1978), Anderson v. Morris, 658 F.2d 246 (4th Cir. 1978) and Harman v. Levin, 772 F.2d 1150 (4th Cir. 1985).

B. Description of Services Rendered and Time Expended.

Daily time sheets or a listing of daily time entries, in legible form, should be included in or attached to the application.^{1/} The time sheets or time entries should provide an itemized listing of all services performed by each professional and paraprofessional and the time spent on each matter indicated. The applicable billing rate for each professional and paraprofessional should be indicated.

^{1/} Fee applications for matters handled on a contingent fee basis and applications required to be submitted pursuant to §506(b) should also conform to the applicable format guidelines set forth herein.

Each professional and paraprofessional should record time in increments of tenths of an hour and keep contemporaneous time records. Time records should set forth in reasonable detail an appropriate narrative description of the services rendered. As a general rule, the description should include indications of the participants in and the length and nature of the activities undertaken. Examples of insufficient descriptions include "telephone call," "telephone call to X," "conference with client," "research," "review of documents," "review of pleadings," and "correspondence." Examples of satisfactory descriptions are set forth in footnote 3.

The broad "lumping" of services, or the grouping of different tasks within one block of time, should generally be avoided in favor of more specific descriptions.^{2/} In recording time for each day, each professional and paraprofessional may describe in one entry the nature of the services rendered on a given task during that day and the aggregate time expended that day on such task, provided, however, that if the professional or paraprofessional works more than one hour on a task on any given day, the time record for that day should include internally, within the description of services for that day, the amount of time spent on each particular activity. A hypothetical time record complying with the foregoing is included below.^{3/}

The description of services required to be set forth is not intended to require the disclosure of privileged or confidential information, provided, that if additional detail is required, the court may direct that such additional information be furnished subject to appropriate protective conditions. Information set forth in a fee application shall not operate as a waiver of any applicable privilege, including the attorney/client privilege or work product doctrine.

Charges for conferences between individuals in the same firm on the same case are not

^{2/} Notwithstanding the general prohibition of "lumping", time entries for periods of one hour or less on a given day may be grouped together provided that a reasonable description of the services rendered within such time entry is provided.

^{3/} A complying time entry would be:
"internal conference with X re cash collateral (.3); revise draft motion re cash collateral (.8); conf. call with Y and Z re cash collateral hearing (.5); review documents re cash collateral motion (1.1); legal research re cash collateral hearing (.5) ... Total Time 3.2"

objectionable, if reasonable, necessary and limited. Similarly, more than one professional may charge for attending a meeting or hearing on behalf of the same client if such attendance is reasonable, necessary and limited. An explanation as to why more than one professional attended such meeting or hearing may in certain circumstances be required, particularly if such multiple professional attendance does not appear to be reasonable in a particular situation.^{4/}

Ordinarily, time entries should be organized by tasks and presented chronologically. An applicant should either organize the time sheets or present a time entry listing by discrete tasks where an application covers multiple tasks undertaken by the applicant during the time period covered by the application. Within each task identified, the time entries of all timekeepers working on such task should appear chronologically. In addition, the application should include a summary by timekeeper of the time spent on each task, the billing value for each timekeeper and a total billing amount for each task. Finally, the application should also include a brief narrative description as to why each task was undertaken, the current status thereof and the results or benefits achieved to date.

It is not the intent of these guidelines to set forth a definitive listing of what tasks should be separately identified in each case or each professional fee application. However, where a discrete activity can reasonably be expected to continue over a period of at least three months and can reasonably be expected to constitute 10-20% or more of the fees to be sought for an interim period, the professional should present a separate chronological listing of time entries for such matter to the extent reasonably practicable. Examples of categories which might comprise separate tasks in a particular case are set forth below.^{5/}

^{4/} In appropriate cases where there are multiple counsel from different firms representing the same party, such counsel may be required to submit their applications simultaneously.

Subject to court approval, a trustee may employ himself or herself, or a firm with which the trustee is affiliated, as a professional. In such cases, applications for compensation should distinguish services rendered as trustee from those rendered by the professional seeking compensation.

Compensation sought for time spent traveling should indicate the mode and time of travel, the necessity for travel and whether any substantive work was performed while traveling (e.g., preparing for hearing). If excessive or unreasonable, compensation for travel time may be reduced. If time is spent during travel working on other matters, such travel time should not also be billed to the bankruptcy case.

Compensation for time spent preparing and defending fee applications is appropriate if reasonable. Compensation for the preparation of fee applications will be based on the level and skill reasonably required to prepare the application.

C. Reimbursement for Disbursements and Expenses.

Disbursements and expenses for which reimbursement is sought should be summarized

in the fee application by category and any unusual items explained. Excessive charges will not be reimbursed. The following are guidelines with respect to some (but not necessarily all) of the categories of reimbursable disbursements and expenses:

Photocopying. The applicable charge for photocopying should be the actual cost of such copying not to exceed 20¢ per page or, if an outside service is used, the actual cost of such copying.

Facsimile Transmission. Charges for out-going facsimile transmissions to long-distance telephone numbers are reimbursable at the lower of (i) toll charges or (ii) if such amount is not readily determinable, \$1.25 per page for domestic and \$2.50 per page for international transmissions. Charges for incoming facsimile transmissions are not reimbursable.

Mileage. The applicable charge for automobile mileage should not exceed the government approved rate, plus actual parking charges incurred.

Travel. The actual expenses incurred for out-of-town travel are reimbursable. However, first-class airfare, luxury accommodations and deluxe meals are not reimbursable, nor are personal or incidental charges unless necessary as a result of unforeseen circumstances.

Computerized Legal Research. Reasonable expenses may be charged for computerized legal research, including Lexis and Westlaw, provided that there is a description of the legal research undertaken and the charges do not exceed the actual cost to the attorney.

Postage, Telephone, Courier and Freight. The cost of postage, freight, overnight delivery, courier services and telephone toll charges may be reimbursable, if reasonably incurred. Only the long distance component of cellular telephone charges is reimbursable. Charges for services such as messengers and overnight mail should not be incurred indiscriminately. Charges for local telephone services are not reimbursable. If normal, routine first-class postage is not customarily charged to other clients, then such postage would not be reimbursable; however, special postage charges or bulk mailings would ordinarily be reimbursable.

Court Costs. Court costs and disbursements are reimbursable.

Meals. Charges for meals are generally not reimbursable unless justified under appropriate circumstances or unless incurred as part of otherwise reimbursable out-of-town travel.

Overtime Charges. Overtime for non-professional and paraprofessional staff is reimbursable only if specifically justified in the application as necessary under the circumstances. Overtime charges for professional staff is not reimbursable.

Word Processing, Proofreading, Secretarial and Other Staff Services. Daytime, ordinary business hour charges for word processing, proofreading, secretarial, library and other staff services (exclusive of paraprofessional services) are generally considered office overhead items and, therefore, not reimbursable unless specifically justified in exceptional circumstances.

With respect to all disbursements and expenses for which reimbursement is sought, it must be understood that they must be of a kind and at a rate customarily charged to and collected from other clients and subject to the test of reasonableness under the circumstances of each case.

Each professional fee application in which the applicant is seeking reimbursement for expenses should include a statement that, with respect to expenses for which reimbursement is sought, the applicant is familiar with and has submitted the application in conformity with the "Compensation Guidelines for Professionals in the United States Bankruptcy Court for the District of Maryland."

D. Lodestar Analysis, Johnson Factors And Billing Judgment.

Each professional fee application should contain a "lodestar" analysis and discussion of the Johnson v. Georgia Highway Express, Inc. (*supra*) factors, as adopted by the Fourth Circuit in Barber v. Kimbrell's, Inc. (*supra*), including a statement as to the professional's application of billing judgment to the compensation sought by such professional.

The "lodestar" analysis should include a summary listing the name of each professional and paraprofessional for whom compensation is sought, the number of hours worked by each identified individual, that individual's hourly rate (which should not exceed such individual's standard hourly rate in other bankruptcy and non-bankruptcy matters), the total compensation sought for each such individual and a total of all compensation sought for the period in question, before and after applying billing judgment to the compensation requested. A similar detailed summary of disbursements and expenses by category should also be presented.

The fee application should discuss the application of the twelve Johnson v. Georgia Highway Express, Inc. factors, to the extent that they apply in each particular case. Those factors may be summarized as follows:

1. the time and labor expended;
2. the novelty and difficulty of the questions raised;
3. the skill required to properly perform the professional services rendered;
4. the professional's opportunity costs in pursuing the matter;
5. the customary fee for like work;
6. the professional's expectations as to compensation at the outset of the matter;
7. the time limitations imposed by the client or circumstances;
8. the amount in controversy and the results obtained;
9. the experience, reputation and ability of the professional;
10. the desirability or undesirability of the case within the professional community in which the case arose;

11. the nature and length of the professional relationship between the professional and client; and

12. professional fee awards in similar cases.

Not all of the foregoing twelve factors will be applicable to every fee application. However, they should be considered in the professional's exercise of billing judgment and discussed in the fee application. If a particular factor is not considered to be applicable, the application should so state. In addition, if the professional believes that other factors are relevant to the compensation requested, the foregoing list is not intended to be exhaustive. Professionals are encouraged to state all facts and circumstances that such professional believes to be relevant to the compensation requested.

In the final analysis, in making its determination with respect to a fee application and the amount of compensation to be awarded, the court will consider the nature, the extent, and the value of the services rendered.

**MARYLAND STATE BAR ASSOCIATION
CODE OF CIVILITY**

In May 1997, the Maryland State Bar Association's Board of Governors approved the following aspirational Code of Civility for all lawyers and judges in Maryland. MSBA encourages all Maryland lawyers and judges to honor and voluntarily adhere to the standards set forth in these codes. Civility is the cornerstone of the legal profession.

LAWYERS' DUTIES

1. We will treat all participants in the legal process, in a civil, professional, and courteous manner and with respect at all times and in all communications, whether oral or written. These principles are intended to apply to all attorneys who practice law in the State of Maryland regardless of the nature of their practice. We will refrain from acting upon or manifesting racial, gender, or other bias or prejudice toward any participant in the legal process. We will treat all participants in the legal process with respect.
2. We will abstain from disparaging personal remarks or acrimony toward any participants in the legal process and treat everyone with fair consideration. We will advise our clients and witnesses to act civilly and respectfully to all participants in the legal process. We will, in all communications, speak and write civilly and respectfully to the Court, staff, and other court or agency personnel with an awareness that they, too, are an integral part of the judicial system.
3. We will not encourage any person under our control to engage in conduct that would be inappropriate under these standards if we were to engage in such conduct.
4. We will not bring the profession into disrepute by making unfounded accusations of impropriety or attacking counsel, and absent good cause, we will not attribute bad motives or improper conduct to other counsel.
5. We will strive for orderly, efficient, ethical and fair disposition of litigation, as well as disputed matters that are not yet the subject of litigation, and for the efficient, ethical, and fair negotiation and consummation of business transactions.
6. We will not engage in conduct that offends the dignity and decorum of judicial and administrative proceedings, bring disorder to the tribunal or undermines the image of the legal profession, nor will we allow clients or witnesses to engage in such conduct. We will educate clients and witnesses about proper courtroom decorum and to the best of our ability, prevent them from creating disorder or disruption in the courtroom.
7. We will not knowingly misrepresent, mischaracterize, or misquote fact or authorities cited.

8. We will be punctual and prepared for all scheduled appearances so that all matters may begin on time and proceed efficiently. Furthermore, we will also educate everyone involved concerning the need to be punctual and prepared, and if delayed, we will notify everyone involved, if at all possible.

9. We will attempt to verify the availability of necessary participants and witnesses so we can promptly reschedule appearances if necessary.

10. We will avoid ex parte communications with the court, including the judge's staff, on pending matters in person (whether in social, professional, or other contexts), by telephone, and in letters and other forms of written communication, unless authorized.

JUDGES' RESPONSIBILITIES

1. We will not use hostile, demeaning or humiliating words in opinions or in written or oral communications with lawyers, parties or witnesses.

2. We will be courteous, respectful and civil to lawyers, parties, witnesses, and court personnel. We will maintain control of all court proceedings, recognizing that judges have both the obligation and the authority to ensure that judicial proceedings are conducted with dignity, decorum and courtesy to all.

3. Within the practical limits of time, we will afford lawyers appropriate time to present proper arguments and to make a complete and accurate record.

4. We will make reasonable efforts to decide promptly all matters presented for decision.

5. We will be considerate of professional and personal time schedules of lawyers, parties, witnesses and court staff in scheduling hearings, meetings, and conferences, consistent with the efficient administration of justice.

6. We will be punctual in convening trials, hearings, meetings, and conferences; if they are not begun when scheduled; proper and prompt notification will be given.

7. We will inform counsel promptly of any rescheduling, postponement, or cancellation of hearings, meetings or conferences.

8. We will work cooperatively with all other judges and other jurisdictions with respect to availability of lawyers, witnesses, parties and court resources.

9. We will treat each other with courtesy and respect.

10. We will conscientiously assist and cooperate with other jurists to assure the efficient and

expeditious processing of cases, while, when possible, accommodating the trial schedule of all lawyers, parties and witnesses.

**CHAPTER 13 DEBTOR'S COUNSEL
RESPONSIBILITIES AND FEES**

1. A copy of paragraphs 2. and 3. of this document, Chapter 13 Debtor's Counsel Responsibilities and Fees, must be delivered to the debtor(s) by counsel at the time counsel is employed, in addition to the retainer agreement by and between the debtor(s) and debtor's counsel.

2. With the exception of adversary proceedings and U.S. Trustee audits, for which separate arrangements may be made, counsel must represent their client in all matters in the bankruptcy case as long as counsel is counsel of record. This includes defending motions, including motions for relief from stay, and bringing objections to claims and prosecuting motions on behalf of debtor. After the initial engagement, counsel may not demand payments from the debtor as a precondition to doing the work.

3. Counsel must remain as counsel of record until the entry of a court order allowing the withdrawal of appearance, or until the case is dismissed or closed.

4. The following fee arrangements are presumed reasonable under Section 329 and allowable under Section 330 and require no application or approval, except as stated below. This presumption is rebuttable and the fee can be the subject of an order to justify the fee.

If no objection or order to justify fee is filed or entered, the presumptively reasonable fee is deemed allowed under 11 U.S.C. § 330 without the entry of an Order. However, if an objection or order to justify fee is filed or entered, the burden shall be upon debtor's counsel to prove that the fee should be allowed under 11 U.S.C. § 330 under the facts and circumstances of the case for which the fee is sought. The foregoing notwithstanding, any objection filed by a trustee or other party in interest shall describe the asserted factual basis for rebutting the presumption.

A. A flat fee, not to exceed \$3,500.00 for representation of the debtor for all matters in the main case. Counsel may by application request approval of additional fees for work done after 6 months following the entry of the order confirming plan until representation ends. Such application may be made on Local Form E with notice (Local Form E-1).

B. A flat fee, not to exceed \$4,500.00 for representation for all matters in the main case. Counsel waives all opportunity to apply for additional work in the main case.

C. A flat fee, not to exceed \$2,000.00 for representation of the debtor on all matters relating to plan confirmation. Counsel may apply for additional compensation for additional fees for prosecuting or defending motions not relating to the plan confirmation or for claims objections. Such application may be made on Local Form E with notice (Local Form E-1). The requirement for representation in all matters in the bankruptcy case, stated in paragraph 2 above, applies without regard to the more limited coverage of the \$2,000.00 fee arrangements set forth in this subparagraph.

D. In any fee arrangement described in subparagraphs A, B, and C above, the plan may allow up to a total of \$2,000.00 (minus any deposit or retainer received) to be disbursed by the Trustee to counsel, before any disbursement by the Trustee to other creditors, except claimants whose claims are described in 11 U.S.C. § 507(a)(1). Unless otherwise provided by the confirmed Plan, any remaining unpaid balance of the fee shall be paid in a monthly amount not greater than the lesser of: (a) \$125.00 or (b) 90% of the monthly Plan payment in the confirmed Plan.

5. All fees are subject to subsequent disgorgement upon an order of the court. No plan or confirmation order shall bar by res judicata or otherwise the subsequent review and potential disgorgement of the fee, upon objection or order to justify fee and notice thereof.

6. Full compliance with Federal Rule of Bankruptcy Procedure 2016(b) is required, including the filing of a Supplemental Disclosure on Local Form E-2 of additional funds received from any person, other than distributions from the Trustee under a confirmed plan. Counsel shall state in the Disclosure of Compensation filed pursuant to Federal Rule of Bankruptcy Procedure 2016(b) whether the fee arrangement is one of the flat fees described in subparagraphs A, B, or C of paragraph 4 above, and, if so, which such fee arrangement applies.
